# Pregnant? Have your COVID-19 vaccines?

SOGC

Coronavirus (COVID-19) infection is currently circulating and can cause serious risks for pregnant individuals.
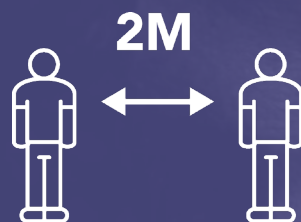

Thousands of pregnant individuals have been safely vaccinated in Canada and worldwide.

It is important to have all doses of your COVID-19 vaccine to protect you and your unborn baby.

COVID-19 vaccinations are recommended for pregnant individuals by the Society of Obstetricians and Gynaecologists of Canada.
